

**Please write or e-mail your representatives regarding the January 20, 2012 mandate by the United States Department of Health and Human Services requiring virtually all employers, including faith-based institutions, to provide insurance coverage for abortion-inducing drugs, sterilization and contraceptives. E-mail will be the quickest way to communicate your concerns. Please visit the United States Conference of Catholic Bishops Website ([www.usccb.org](http://www.usccb.org)) for more information and e-mail addresses. Below are the physical addresses of our representatives in government. Above all, pray for these men and women that they will preserve religious liberty for all in our great nation.**
