

**2011 - 2012**

**LIFE ON THE EDGE**

**Middle School Youth Ministry**

**and**

**Sacrament Preparation**

The following is the upcoming schedule of Monday evening meetings, retreats and events for the Middle School students (grades 6 through 8) from September 2011 through May 2012. This is the period where attendance is closely tracked for those youths **beginning or continuing** in their Sacramental preparation process.

Mark the dates of these sessions on your calendar – tape to your refrigerator or follow whatever system you have for planning your family schedules. It is entirely possible and frequently does happen that these dates may be adjusted during the year.

Please double check the schedule of meetings by looking in the Parish Bulletin. It is strongly suggested that you access the parish website at ([www.saintjosephhom.org](http://www.saintjosephhom.org)) **frequently**. Just be aware that due to deadlines for the Bulletin any recent changes in the schedule may not be made after it has gone to press. It is strongly suggested that you rely more on the parish website for the correct schedule of meetings. The website has the calendar of meetings and events on the youth ministry page and is always updated as soon as any changes are made.

**The Life on the Edge middle school meetings are held Monday evenings in the St. Joseph Center from 6:30 p.m. to 8:00 p.m.**
